

LENTY

RECESSED LUMINAIRE

The recessed version of the elegant lens spotlight also scores. Perfectly controlled illumination combined with a compact design and high flexibility make LENTY a popular highlight luminaire in the fashion sector and beyond. Shops such as opticians, jewellers and hearing-aid acousticians which frequently have low to medium ceiling heights also benefit from its high quality lens technology. The LENTY lens has been relocated approximately 20 mm to the rear, disappearing into the luminaire head away from the view of the observer – thus significantly minimising glare. The spotlight head with matt black front ring can be swivelled out by up to 50° and rotated by up to 355° for concentrated, vivid illumination of products and surfaces of all textures, compositions and sizes. The lens

FASHION

SHOP

AUTOMOTIVE

Lenses instead of reflector technology

More concentrated and directed light on the target surface

Providing highlights

High light intensity at 1,000, 1,500 or 2,000 lm; beam angles from spot and medium flood to flood

CRI > 90 for all light colours

Authentic illumination with Brilliant Food, Efficient White or Efficient Cool and more

Compatible with shop, office, gastronomy and architecture

Multi-functional in white or black, always with a black front ring

Intelligent light

LED^{IQ} for your smart light management; control options including switchable, DALI, Bluetooth and BLE

Type of luminaire	recessed luminaire
Application areas	Accent lighting
Pan/tilt range	355° turning range, 50° swivel range
Mounting	Folding spring
Ceiling thickness	1 - 25 mm
Lighting technology	LED
LED Luminous Flux Class	1000 lm - 2000 lm
Light colour White	2700 K, 3000 K - Efficient White, 3000 K - Brilliant Colour, 3500 K, 4000 K - Efficient Cool
Light colour Food*	BF
Cooling	passive
Supply unit	Driver separate
Luminaire colour	RAL 9005 jet black RAL 9016 traffic white Special colours on request
Surface	structure powder-coated
Nominal voltage	220 - 240 V, 50/60Hz
Lighting controls	on request
Weight	Approx. 0.7 kg

Components	 Luminaire housing  Supply unit
------------	--

Test seal	  
-----------	---

* BF = Brilliant Food
