

TOKO

RECESSED LUMINAIRE

Particularly in the fashion area, an ingenious mixture of coherent basic lighting and well-balanced accentuation is required. Here TOKO is just right, since this LED downlight performs both tasks with virtuosity. It is small and unobtrusive in its design. Its fresh light illuminates the room homogeneously as far as the very last corner. Thanks to the 3D faceted reflector and four beam angles, accents can also be systematically set with TOKO.

Four beam angles thanks to 3D faceted reflector

Homogeneous or accentuated illumination is very easy: Beam angles of 28°, 38°, 48° und 60°

Small dimensions

Ceiling cut-out only 130 mm, recessing depth only 100 mm

Well thought-out attachment

Innovative mounting spring for ease of attachment

Large choice of LEDs

Six white light colours up to 4000 lm

Intelligent lighting

LED^{IO} for your smart lighting management

www.oktalite.com/toko-r

Type of luminaire	recessed luminaire
Application areas	base illumination
Pan/tilt range	fixed
Mounting	Oktalite folding spring
Ceiling thickness	1 - 25 mm
Lighting technology	LED IQ DALI
LED Luminous Flux Class	3000 lm - 4000 lm
Light colour White	2700 K, 3000 K, 3000 K - Efficient White, 3000 K - Brilliant Colour, 3500 K, 4000 K
Cooling	passive
Supply unit	DALI driver separate
Luminaire colour	RAL 9005 jet black RAL 9006 white aluminium RAL 9016 traffic white Special colours on request
Surface	structure powder-coated
Nominal voltage	220 - 240 V, 50/60Hz
Lighting controls	DALI DT6
Weight	Approx. 0.6 kg
Components	 Luminaire housing  Supply unit
Test seal
