

## CANILO

SUSPENDED LUMINAIRE

CANILO is characterised by classic, elegant design and provides a special element for supporting the customer's CI: the lateral bracket can be adjusted colour-wise to customise it. The set-back reflector with an integrated anti-glare ring provides a high degree of visual comfort. The variable suspension that can be adjusted without tools and is in the form of a live wire imparts an elegant look to the suspended luminaire.

### Customised style

The lateral lug can be adapted colour-wise to customer's CI

### Uniform effect

The suspension and the lug specify the mounting direction and in the case of several luminaires ensure a calm overall appearance.

### Various fastening possibilities

As a means of fastening a ceiling canopy, a ceiling roundel or an adapter for attachment to power tracks are available

### High degree of visual comfort

Set-back reflector ensures good glare suppression without any loss of light

Type of luminaire	suspended luminaire
Application areas	Accent lighting
Pan/tilt range	fixed
Mounting	3P Power Track, recessed (Ø 130mm), Surface mounted (Ø 150mm)
Ceiling thickness	1 - 25 mm
Lighting technology	LED
LED Luminous Flux Class	2000 lm - 4000 lm
Light colour White	2700 K, 3000 K, 3000 K - Efficient White, 3000 K - Brilliant Colour, 3500 K, 4000 K
Cooling	passive
Supply unit	Driver separate / integrated
Luminaire colour	RAL 9005 jet black RAL 9006 white aluminium RAL 9016 traffic white Special colours on request
Surface	structure powder-coated
Suspension length	1500mm, 3000mm
Nominal voltage	220 - 240 V, 50/60Hz
Lighting controls	on request
Weight	Approx. 2.0 kg
Components	 Luminaire housing  Optic  Supply unit
Test seal
