

QUIRA PLUS

RECESSED LUMINAIRE

QUIRA PLUS: for this recessed luminaire, lighting comfort and performance are things to be taken for granted. QUIRA PLUS can be swivelled in to accentuate the merchandise in the sales room and at the same time it remains flush with the ceiling. And swivelled out, QUIRA PLUS reaches every high-level decoration with pinpoint accuracy. Optionally fitted with the Tunable White module. This makes the precise adjustment of the light possible as regards intensity and colour temperature. Now wireless lighting management available for low-installation modernization.

Genuine power package
Lumen packages up to 7,000 lm

Ideal application range
Optimum use in the case of great ceiling heights

Well thought-out fastening
Our own development for ease of installation

Well protected
