

## VARISTO

### Suspended luminaires

Make a strong statement in retail architecture and at the same time create highlighted room zones with wide-area general lighting. The VARISTO pendant luminaires fit into any conceivable room size and configuration as light, floating, circular or square contours. In several sizes, individually or creatively grouped into patterns and structures: VARISTO is an eye-catcher that inspires and transforms the design of retail spaces.

#### Two geometries

Circular or square contour appear individually and arranged as a pattern

#### Several sizes

**Round:** 600mm (6,000lm), 1000mm (10,000lm), 1500mm (15,000lm)

**Square:** 630mm (6,000lm), 1050mm (10,000lm), 1460mm (15,000lm)

#### Flexible suspension

Suspension installation on four ropes. Different pendulum lengths can be achieved using separate rope suspension sets.

#### Different light colours

Available in warm white (830) and neutral white (840)

## VARISTO

[www.oktalite.com/varisto](http://www.oktalite.com/varisto)

Luminaire type	Suspended luminaires
Application areas	General ambient lighting, entrance areas
Range of action	rigid
Fastening	Extension, ceiling canopy
Pendulum length	1,500 mm - 6,000 mm
Size	Round: 600mm, 1,000mm, 1,500mm Square: 630mm, 1,050mm, 1,460mm
Lighting technology	LED
Beam angel	Lambertsch
LED luminous flux class	6,000 lm - 15,000 lm
Light colour CRI 80	3000 K, 4000 K
Supply unit	Driver integrated in the luminaire profile
Luminaire colour	RAL 9005 jet black RAL 9016 traffic white Special colors on request
Surface	structure powder-coated
Nominal voltage	220 - 240 V, 50/60Hz
Weight	approx. 5.6 kg, approx. 12 kg, approx. 18 kg
Test mark	  

All technical data, weights and dimensions have been carefully compiled. Errors excepted. All dimensions in mm - LED service life data: L80/B10 at ambient temperature (ta) 25°C. Rated service life 50,000 h. Luminous flux and efficiency are subject to a tolerance of +/- 10% Min CRI Ra: >80 / >90- Product illustrations are examples and may differ from the original - We reserve the right to make changes in the interests of progress. - Oktalite Lichttechnik GmbH - Mathias-Brüggen-Straße 73 - 50829 Cologne - T 49 221 59767-0 - F 49 221 59767-40 - [mail@oktalite.com](mailto:mail@oktalite.com) - [www.oktalite.com](http://www.oktalite.com) - 24-08-01
