

CANILO TRACK LIGHTS

CANILO is characterised by classic, elegant design and provides a special element for supporting the customer's CI: the lateral bracket can be adapted colour-wise to customise it. The set-back reflector with integrated anti-glare ring provides a high degree of visual comfort. At the same time the surface-mounted spotlight stands for high performance and efficiency.

Compact design

Supply unit integrated into the luminaire – no separate driver housing, focus is on the goods

Elegant design

Classic design with elegant proportions – CANILO fits into every shop design

Well protected

Optional glass cover to protect from dirt

High degree of visual comfort

Design element anti-glare ring, always black, provides extremely high degree of visual comfort

Intelligent light

Smart lighting management optionally with control line or wireless
