

GRADO TWIN

TRACK LIGHTS

New possibilities for the lighting of assortment aisles: GRADO TWIN ensures, with its two luminaire heads tiltable to both sides through 110°, optimum illumination of goods in the assortment aisle as well as over the entire height of a shelf. Both luminaire heads are equipped with a glare-suppressed rectangular reflector - this means a marked increase in visual comfort by means of balanced light distribution on the goods.

Optimum light distribution

- Defined lighting image per luminaire head 3.0 x 1.20 m with softly tapered edges
- High efficiency of approx. 93 % per luminaire head

Ideal applications

Illumination of assortment aisles

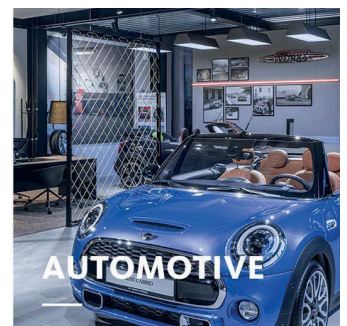

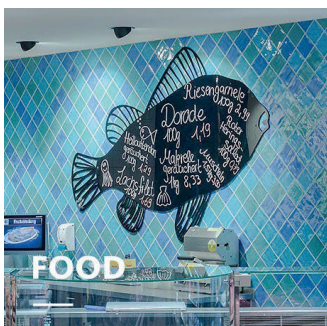

High degree of movability

Tilting through 110° degrees (there of 20° upwards) and turning through 355° degrees

Intelligent lighting

LED^{IQ} for your smart lighting management, controls from switchable, DALI to Bluetooth LE
