

IDESTO TRACK

TRACK LIGHTS

A strong sense of space in retail: the IDESTO TRACK wallwasher for track applications immerses entire walls in a particularly uniform and clear light. But not only that: the innovative spotlight establishes IDESTO TRACK as a new generation of compact and flexible luminaires featuring optimised light distribution for vertical illumination. Thanks to its specially developed reflector the luminaire achieves premium quality lighting solutions for the retail sector.

Uniform light

Newly developed reflector for significantly uniform illumination

Quality of light on all merchandise

High quality LED modules for additive lighting concepts

Precise alignment

Thanks to rotatability up to 355° with +/-10° tilt

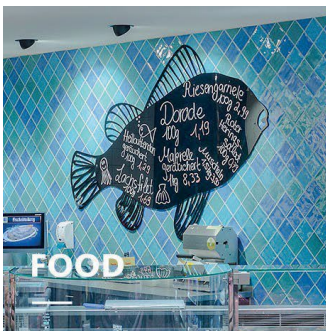

Small size

Due to integrated track driver

Intelligent light

LED^{IQ} for your smart light management

IDESTO TRACK
